

Feedback for Maison du Maitre Tim & Razia Coleman

The level of information from the house owner was astonishingly good and very, very helpful, and this level of service was superlative and input carried on throughout the holiday. It was like having a gifted concierge service - bookings at restaurants were made for us, massages arranged, horseriding arranged, lots of information about events in local towns was provided, odd grocery items were bought for us, we had produce from their garden and were even included in their son, Louis's birthday. This was a truly exceptional holiday experience. The Coleman family was so welcoming and the whole family was such delightful and charming company that we have immediately booked to go again.

We loved it so much that we will probably go again next year. It was excellent all round. Our holiday was the best we have ever had and the level of customer service from the owners of the property was amazing.

It was utterly fantastic. The house itself was beautiful, roomy and had everything in it you could possibly want. The outside areas, play ground and pool were perfect for us and our son. And we cannot speak highly enough about the Colemans. Just wonderful people, so friendly, accommodating and fun. Their children were terrific and attentive to our son above and beyond the call of duty. We have never felt so welcome in a place nor had such a fantastic stay before. We will most definitely be returning as our holiday was the best we have ever had and the level of customer service was amazing!

What a fantastic time we have had – so much to do, the children so happy and smiling! Thanks so much Tim, Razia, Louis, Eva and George – you are such a lovely caring family and hope to see you again.

Thank you for having us to stay with you at La Maison de Maitre, we did indeed have a wonderful time. You are all fabulous hosts. You might have gathered we were rather disappointed to have to leave. Thanks again to your lovely wife (I'd never have said that whilst with you) for many things, including tolerance of William and the apple cake (recipe required).

Specifically thank you for your conversation, consideration and home.

Let me know your invoice for the smashing wines and food you provided us with.

Best wishes
